Breathe in |

A long-exposure photograph of a multi-tiered waterfall in Martvili Canyon. The water flows over layered rock formations, creating a soft, blurred effect. The surrounding cliffs are covered in lush green moss and vegetation. The scene is framed by dark green foliage on the left and right sides.

| Taste

| Relax

The background of the entire image is a dense, close-up photograph of green leaves, likely from a plant like a Ficus or similar, with a dark green tint. The leaves are arranged in a way that creates a textured, organic pattern.

Waiting for you
